

## Embracing Grace Mission

To teach individuals the tools to facilitate reconciliation using Biblical principles.

*"See to it that no one misses the grace of God, and that no bitter root grows up to cause trouble and defile many."* Hebrews 12:15 NIV

For some people, the only thing they know of Jesus is what they see in us. Our lives are the pages of scripture lived out, that a lost world reads each day. As Christians, there needs to be something different about us that draws others to Jesus.

That is why God says in the Great Commission that we are to be His witnesses to Jerusalem, Judea and Samaria. He sent Jesus to die on the cross for our sins so that by accepting His grace, we are each adopted into the body of Christ as His child and given eternal life. We cannot earn it; we just accept His free gift of salvation by asking Jesus to be our Lord and Savior. We then become His ambassadors to a lost world to extend His grace.

We may be hesitant to stand before people and give our testimony. But the reality is that we give our testimony every moment of every day with everything we say and do. Through our lives people are either drawn to the Lord or they are pushed away.

Grace is the Hebrew word that describes God's unmerited favor. We gained favor with God through the blood of Jesus and not our own good behavior. God calls us to extend that same grace to those around us. That is why the LORD commands us to, **"See to it"**, through our words and our actions, **"that no one misses the grace of God"**, because the difference in our lives will make a difference in others and keep sin from becoming a **"bitter root to cause trouble and defile many."** - *Hebrews 12:15*

Will you make that commitment today? You may already be a believer, but perhaps you have only allowed Jesus to be your Savior without allowing Him to also be your Lord. As Christians many of us accept Jesus' free gift of grace for salvation, but then spend the rest of our lives trying to work our way up the Christian ladder of success. Beloved, we are saved by grace and we also live by grace. Today, will you ask Him to be your Savior and Lord? Surrender all of your life to Him so that He can come into every crack and crevice of your heart to bring health, healing and wholeness. Your life's journey will then truly testify to the glory of God demonstrating how His grace cares for us every moment of every day.

*"See to it that no one misses the grace of God ..."* Hebrews 12:15

Perhaps you are not a Christian. Will you ask Jesus to come into your heart and become your Lord and Savior? All you have to do is tell Him that you have tried to be all that you can be but it is not enough. You need Him to cleanse you from your sin and to accept Him as your Lord and Savior. Once you do this, you can never be separated from the love of God. You didn't do anything to earn it, so you can't un-earn it. Jesus paid the price and we just accept His free gift of grace. **He is The Embracing Grace.**

If you have made a commitment today, Embracing Grace Ministries would like to pray for you and encourage you in your journey. Please share this joyous commitment with us by sending a note to:
